

Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets. St. Matt 22:37-40

Pastor Glaze

Director of the Christian Education Department

Mission Statement:

To make disciples by teaching biblical practices and principles that will provide continued spiritual growth and development.

Happy New Year! Thank God for his grace and mercy that saw us through 2016.

Well, we are expecting another exciting and prosperous year for the CWSC Christian Education Department. Last year we were successful in developing our CED News Letter and introducing our first CWSC ETA Online class and graduation ceremony. For 2017 I am inviting all council Superintendents to feel free to share your 2016 experiences or your 2017 goals for your Sunday school department via our own CWSC News Letter.

Our mission this year for the CWSC Christian Education Department, is to insure that all of our Sunday school Instructors, Superintendents and members, who have not been certified through the National Sunday School Association, to have an opportunity to sign up for our online ETA class.

We are also looking to plan Seminars where we strategize on how to "Grow our Local Sunday School Departments". We will continue to keep you informed through our CWSC Newsletter
 Be Blessed!
